“The Leaf”

*A gentle breeze shook a leaf from the tree.....
No one noticed... just you and me.
The leaf danced It swayed... a child again,
And as the breeze so gently, lifted it away,
It paused for a moment as if wondering.... “Should I stay?”
But continued its journey anyway.*

*The leaf floated higher and higher toward the Light in the sky
And when I saw the clouds open,
I thought I heard familiar voices from the same old tree...
Or was that the sound of angelic wings?*

*It doesn't matter so much that the breeze took the leaf away,
Only that, that part of our tree was taken
Gone “Home” to stay.
Our family will miss that part of our tree,
But, our family “back home” is rejoicing I know,
Because our loved one has “come home” to stay.*

*A child again.....
No suffering, no sadness, no more pain nor hurt,
She's gone home to the Father, gone away from this earth.*

*So every time you hear or feel a slight breeze,
Or see the movement of the leaves.....
Remember.....
The leaves that have gone “Home” to our Heavenly family tree.*

“ The time spent reflecting on fond memories at times brings the urge to hold our loved ones again, to give them a tender kiss. How we yearn to do such things, our creator God promise mankind that such things we will be able to do in the bible recorded at (Rev.21:3,4) "No more pain". May comfort be brought to the heart by means of the bible.
