“ *I didn't know your sweet baby Micah. However, he will forever be part of me. I am sorry that tragedy is what had to bring us together. All my education and training could never have prepared me for that day. Your strength is amazing. Your forgiveness for the man who caused the accident goes beyond words. You and Micah are always in my mind and forever in my heart. Take care of you and your family. I am so very sorry for your loss.*
