“ This comes to you with sympathy especially to say my prayer and thought are with the entire family. Michael and i was classmates from Emerson thru Northern High School. A very nice man that i've enjoyed knowing over the past years. We didn't see one another often, maybe once in a few years. But when we did, we greeted each other with a hug and what's been going on (smile). May it somehow be a help and comfort just to know that Michael had a beautiful personality.

“ To The Beasley Family:

In times like these WE NEED A SAVIOUR! I send my deepest condolence and sympathy to you all. My heart is saddened at the early homegoing of Michael. I haven't seen him since school, and now he's at rest. That picture on here is how his beautiful smile always was. I will remember his smile! My prayers are for you at this most difficult time! I know that God will see you through! Psalm 23
