“ There is a place and time for everything under the sun, and although we loved Tony very much so did God. We will miss him, and our hearts are filled with sadness over his departure. We talked on the phone often and he was always in good spirits in spite of the pain he experienced. You know he and Uncle Edward talked for hours most days! You and the children are in our prayers, we love you and pray that God will give you strength as you go through this most difficult time. Keep trusting God and he will see you through.
