

Baby Boy Michael Glenn Dawson

December 21, 2015 - February 14, 2016

DAWSON, Baby Boy Michael - Age 2 months, passed away, Sunday, February 14, 2016 at Hurley Medical Center.

Baby Boy Michael Glenn Dawson “Doc” was born December 21, 2015 in Flint, Michigan at Hurley Medical Center, the son of Faith and Deshawn Dawson, and little brother to Riley Dawson. Born at 24 weeks, Michael quickly began to show the NICU Staff that he was their new boss. Being born premature, Michael had his battles picked out for him. Time after time he proved his strength and bravery, beating the odds pinned against him. Even with his “bossy” ways he had his sweet side too. Laying there with his bright brown eyes he would look at you and smile and would light up a room. Even until his last breaths were taken, Michael continued to show us that everything was going to be okay and would reassure us with a sweet smile. Letting us know that it was time to let him go. Though his time with us was limited, he touched the hearts of many. He was strong, brave and fought a good fight, but now we must let him rest. Michael became one of God’s angels, Sunday, February 14, 2016.

The family would like to extend a special thanks to the doctors and nurses of the NICU department at Hurley Medical Center. Although there are many to name, we would like to show our appreciation to Michael’s primary care providers, “Papa Bear” Gentle John and “Mama Bear” Veronica. We greatly

appreciate all that have cared for him and his well being. May God continue to bless and keep you all.
