“ Back in 1988, Anthony and Michael came to Wisconsin and went to prom with me and my best friend, Michelle. Anthony was my date; Michael was Michelle's. The prom was so-so but we had a great time hanging out, laughing and joking around as we often did. The next day we went to Six Flags Great America all dressed alike and just KNEW that we were SO cute. The following day was my graduation and the boys and Shirley were there for the whole thing. For me, it was one of the best memories I'll ever have and will cherish forever.

Shirley, Anthony and Earl ... you're all in my prayers, you're family and I love you all.

I am lighting this gold candle in honor of Michal Horton and the "golden heart" this man had. Such a beautiful spirit, a wonderful man inside and out and I will always remember him for that. To Shirley my very special Sister/friend, Earl and Anthony, I share your grief, sorrow and pain. You are not alone; many of us are with you during this time of bereavement, most importantly, God. I love you all and thank God for the opportunity and pleasure to have had Michael in my life the short time that I did.

To the Horton Family, condolences from the Ward family on your loss. We know GOD never makes a mistake. However, that doesn't ease the pain of the loss, whether expected or unexpected, it still hurts. LORD comfort this family during their hour of grief as only YOU can. “ Hello Horton Family,

I remember one night ...Michael and I were riding down Linden Rd. Unfortunately, we were speeding when the police put his lights on. Michael, got out of the car to talk to the policeman. We did not even realize this stop could have gone badly in light of what he are seeing in this nation now. The police and Michael talked for a while. When Michael got back in the car...I ask him what happened? Michael said, "The policeman thanked me for protecting our country." Michael, was a man that received a salute from an the officer of the law in Flint, MI ...on a dark road! I want his mother, father, Earl , Anthony and Michael's children to know what honour Michael received. I want this story to be apart of Michael's legacy...because he earned it in the service on our nation!

Love and blessings,
