“ To the entire McNeal family and friends that shared a love for Michael. He is with God now and was only on loan to us until his father called him home. We will all see him again one day. His loving spirit and thoughtfulness of his family will be with us for ever. Personally, I have lost a child that God put in my life. I am having a hard time as many of us are with this entire situation. However, we must overcome the negatives and seek all the possible positives from this tragedy. One lesson that I will get from this is to leave people that keep mess going alone. Keep his smile alive, his love for his family and friends alive, his desire to work alive and all the other positive attributes about him with us everyday. Leave the negative behind us so that we might be able to move forward. We all love and will miss him very much. He was my God given grandson. I pray for peace.
