“ Michael was so much fun growing up. We did some crazy stuff together. I remember when he taught me how to ride a bike I was so scared because he had me ride down the hill (Devil's Backbone) I did it but hit the telephone pole at the bottom, we laughed so hard it was amazing I wasn't hurt. We used to swing so high on the swing and bail out never broke a bone. He was my buddy my brother even though we are cousins he was one of my Big Brothers always stood up for me. Rest well Big Brother. Love you always 🙏🌹 Cousin and Lil Sis Angela Freeman
