“ *I would like like to send my condolences to the family. When
someone we love dies it's very painful, but the Bible talks about
doing away with this pain at Rev21:4. May the God of comfort,
comfort your family at this time.*

“ *Dear Toles Family and Friends,
I am so sorry to hear of the loss of your dear loved one. Please accept my sincere condolences. I too have lost several loved ones in death, and the pain is fresh, even with the passage of much time. Thankfully, I have found relief in knowing that "The Most High God" is the "Hearer of Prayer", and a source of tremendous comfort in times of grief and distress. (Psalms83:18, Psalms65:2) Please be assured , death will soon be "swallowed up forever" and we will have the opportunity to see our dead loved ones again. (Isaiah 25:8) My family and I wish you and yours peace. (Phillipians4:7)*

“ Micheal (Mickey) was my first cousin on my Mother's side of the family. The last time I seen him was at our Uncle's funeral a few years ago. No words where spoken, just a smile and a handshake. He was a nice and great guy. I'll never forget that smile God bless his children and all the lives he touched. I thank God for time he allowed Micheal to be with us.

“ *My big brother Mike was the first entrepreneur I ever known personally. With just a gallon of paint and some paint bushes, rollers, and a ladder, He went on to build his own company, and I don't think he ever had to work for any boss at a office. He was his own thang!!! And the sad thing is like with my parents, I was not there to say I love you and thanks for all the love!!! And that is something I can never get over!!*
