“ *Mike was a great cousin and friend. He would do anything for anyone if he could. I remember when we were teenagers in Flint hanging around the Blue Moon trailer park. He introduced me to my bestfriend Carol Green (Bones). I know he remembers her. The weekend we lost Mike I hooked back up with Carol so he brought us back together again in his death. The last time I saw Mike was hard but I will remember him for the man he was in life not the body he left in the end. Love you Mike.*
