“ To the Willingham Family,

I cannot imagine the pain that you must feel and the devastating news upon of Michael's Death. I am to filled with distraught and misbelief. There is no way to put into words that I can say to ease grief that your family is experiencing now and to the near future. So to you I say "Gone away he is in his physical form, but left as a gift for us is a lifetime of valuable memories that will be etched in our hearts, that will be there for eternity".

R.I.P. Michael Willingham
