“ *I first met Mildred in kindergarten at Bunche. We were also in the same high school class. She was always very nice & very smart. I am deeply saddened by her passing but I know she is in a better place.*

“ *To Mildred's Family,*

I first met Mildred in college during my freshman year. We later became brothers after I joined the business fraternity "Delta Sigma Pi". During my senior year, I got an internship at Mercantile Bank and we became co-workers. As you can see, we interacted at all levels.

I will always remember Mildred for her kindness and sweet attitude. She was always optimistic about life and showed her love for others by her actions and not just words.

I know that she loved the Lord with all her heart. Next to God, she adored her family and extended family the "Floyds", especially her nephew. Mildred will be truly missed, but she is now with her Saviour and is in perfect peace. No more pain, no more sorrow, just Joy. Joy everlasting!

“ Mildred was such a special person! Mildred always had a smile on her face. At work I could hear Mildred giggling from the other side of the room. Mildred was a great person to work with. Mildred will be missed, deepest sympathy to all her family and friends.

“ I became friends with Mildred through Eshe and Corey. I have many, many, many, wonderful memories of Mildred. Her smile always warmed my soul and my heart. Mildred always had an encouraging word for me during my valley times and she'd also give sound advice when I was about to make stupid choices. She will be greatly missed. Mildred impacted a lot of people's lives. I am glad that she is at rest.

“ I believe our first encounter was when Mildred and my cousin became roommates in college. Mildred was on the quiet side, at first, but she was always a very kind, sweet, level-headed, and smart young lady. I was saddened to learn of her illness and prayed for her recovery. I know she remained steadfast in her faith that God would see her through. I pray strength for her family, friends and loved ones around her. Anyone that she has encountered has met a real friend. She is no longer in pain and suffering, and amongst other angels in heaven. I know her and J.R. are having a good party up there. I will miss the young, sassy, beautiful spirit of a woman I knew to grow and love called "Mildrenay".

“ To the Entire family and friends of LaDora.

I am going to speak from my heart and soul because I've been knowing and growing with this beautiful and loving family since our childhood and I Love you all!

When Margie first alerted me of LaDora's condition and asked for prayers for her to get stronger I started praying at that very moment.

Not only for LaDora but for Jean and Michael Sr. also. I prayed to God to give them the strenght that he had given them over the years and not so long ago. Like Margie said, "you are still standing strong" and you are to be admired. You all have my deepest sympathy for your loss. I know that you know that God doesn't want his children to suffer, so he set LaDora free. LaDora is free from the body that caused her so much pain and suffering. So she is feeling nothing but joy, happiness, and love. She's in the homeland of our souls and she's in the arms of her Grandmother that she was named after and no doubt kicking it with her Lil Bro, J.R. and other people who departed from her life before her. I'm speaking from my heart and experiences, this is what I truly believe. It has helped me get through the years. I know my words won't heal your broken hearts but I hope they bring you some comfort if only for a moment. LaDora is absent from her body because our bodies comes with a lease. A contract made with God before we ever enter this world. So she's absent from her body but she's still with you. She's in your hearts and you have 31 years of memories. God will heal your hearts but you can still talk to LaDora, she will hear you and she will make her presence known, I know this. You all are in my thoughts and prayers as you have been for years. I Love you all-Re-Naye

“ I met Mildred when she came to work at Beaumont. While I only knew her for a short time, she made a great impression at our first meeting and my regard for her as a person and professional only continued to grow. I remember her wonderful smile, warmth and enthusiasm and her "no-fear" attitude toward tackling difficult projects. I was saddened to hear of her battle with cancer and her passing. Mildred had a loving spirit and a love for people. I will miss her laughter and smile at the Louisiana reunions. Remember that God is always there and is too wise to make any mistakes. “ My "Millykins"! That's what I use to call her. Eshe, Mildred, and Tanisha took me under their wing at the ripe ole' age of 18 when I was a Freshman at GVSU and have called me "lil sister" ever since. “ (I know this is late, but I still felt the pull to express my condolences.)

That smile, that smile. That's what pops in my head when I think of Mildred. I remember the dynamic duo of "Mildred & Eshe"very well. I haven't spoken to her in years, but the fact that I still felt my heart sink when I heard the report should illustrate the effect this young lady had on those had the honor of knowing her. Like many before me have implied, cry today. That's ok. But then in midst remember that she's always been in God's arms and will rest only a short time before we all get to see that smile again.

“ Mildred was such a warm and kind-hearted person. There was no doubt she had the spirit of one of God's angels, and I am sure she is fulfilling those duties right now! I only knew Mildred since she started her position at Beaumont, and I feel very privileged to be a vendor that worked with her. Mildred was the kind of person that you immediately felt at home with, like you'd known her your whole life and could trust her with anything. “Mildred will always be remembered as a caring and though woman of God who always had a smile on her face. I've know her since her days at GVSU and being apart of the Voices of GVSU. Even after she graduated, I would see her at various functions still smiling. I remember the last time I saw her not to long after I had just been released from U of M hospital. We shared hospital/medicine stories but giving God the Glory through it all and plans of having a Voices of GVSU Reunion Concert during GVSU Homecoming 2008. She was such a beautiful person that I will miss very much. God has picked another one of His beautiful flowers for His heavenly garden. To her parents and her family, thanks for sharing her with so many of us. It is because of your love for her and the love of God that you instilled in her that many of us had the awesome opportunity to experience your families legacy. Know that my prayers are with you. I look forward to seeing Mildred in that sweet by and by.

This is one of the hardest parts about being a choir director/friend/mentor is saying "I'll see you later" It's one thing when they graduate it's another thing when God calls them home.

Rest in Peace Mildred, no more pain or suffering. I will miss you and will always love you!!
