“ *To Dawn & the entire family, just wanted to let you know I'm sorry to hear about the loss of your mom. Dawn you were there for me when my mom passed, I know the feeling, but know she's in the best place there is "Heaven". She lived a good life knowing her children/grandchildren accomplished great things in life before she left the world. God Speed Mrs Lovett.*

“ Go rest now precious one,
Your life in eternity has just begun.
Now you can walk, your legs are brand
new.
All of heaven is now in your view.

Look all around, it's all in your sight,
There will never be another dark night.
Flowers and jewels, the street of pure gold, and all of the things that
have been told.

I can just imagine the smile on your face as you walk all around in
that beautiful place.
Greeting our loved ones as you walk along, while singing heaven's
most beautiful song.

This is so very hard, but it will all be okay, it isn't goodbye, we'll see
you one day.
We love you and we'll miss you and at times it will be tough, but as
with everything, God's grace will be enough.
