“ *I just recently recieved the sad news of Mildred's passing. The world has lost an angel. Mildred Sisco was my teacher Aid for six years and I must say, she was the best aid ever. She made me a better teacher. Mildred loved our students, education and working with me. We were a great team.*

*To my boys Tim, Tommy, Therman and Terrance, please know how much you are loved by your mom. She was so proud of each one of you. My prayers are with you.*

“ Too many thoughts and memories to fit in a post. She always accepted us as family and not just church members. Mother Sisco along with her loving family has been there for me and my family through some of the darkest times in my life. If it had been for the Love of God placed on her heart for us I wouldn't be where I am today.

“ *I have so many great memories of Sunday evenings after church service . When Mrs. Sisco would invite my mother and her then four children home with her to have Sunday dinners. There was so much laughter throughout her home and football was on the TV in the living room, cooking in the kitchen, kids playing in the back yard and a 1000 piece puzzle on the dinning room table. No matter who stop by the house there was always enough food and Mrs. Sisco greeted you with that beautiful smile and LOVE.*

“ This woman lit up the room with her presence and smile. She was full of grace, and had a way of correcting you that was gentle and firm at the same time. When she hugged you , you could feel her love. I am so very thankful my family was able to have known her. She was a very special lady. Praise God she's home at peace with her Lord. May God grant you all his peace at this time. Indulge yourself in all the great memories and legacy she has left behind. God Bless!!!

*Praying for strength, comfort, and peace to my former students from Garfield school and their family's. Mildred and I worked together for years. She was sweet, loving, and cared about the children she came in contact with. She was a strong and quick to chastise her sons. God be with you and the family during this most difficult time. I have stood where you are now standing.*
