“ *Our prayers and thoughts are to the family and friends. Minnie was such a wonderful and caring woman. I can remember the times she took us fishing in Michigan and when the times I went fishing with them when they came home. In many ways she was a part of our family. She was so good to us when we came to Michigan. Linda and Brenda, your mother was such a beautiful woman, a heart of genuine gold. This earth is not our home, she has another building not made by hands in the heaven...*
