“ *Grandmother I will miss you I think you were the best grandmother a child could have you were so good to my TyTy. I don't know what he is going to do without you. I know he will miss getting away from us and just being at your house to hang out for the weekends. Taylor will miss some of those times also. My family will truly miss you and we love you very much I am just still just in shock this is something that I never really even thought would happen. I thought TyTy would grow old and still have his Grandmother. But I Know that you are watching over your grandbabies. Love Tootie,Anthony,Tyson and Taylor*
