“ *My condolences to the family of which I love and feel apart of. Mrs. Gist will be truly missed by me. I remember back in the day when I was living in flint, I would go over to visit when she lived on Detroit street and we would end up sitting on the porch watching the traffic go by. Mrs. Gist would be drinking her pepsi and I had my ice water, we shared many memories on that porch. rest on dear lady you lived out your years.*
