“ *My relationship with Miss Minnie goes back to 1973. I met her through her son Tyrone. She always treated me as though I was her daughter. She was so kind and loving and I loved her and Mr. Bud as my second parents. My love of charms is due to her. She gave me a charm bracelet as a graduation present in 1973 and I have not stopped collecting charms since. Every charm she gave me is as precious to me today as they were the day she gave them to me. What a sweetheart she was. Tyrone, please know that you are in my prayers at this sad time in your life. May God bless and keep you.*
