“ *To the Taylor Famiy,
Please accept sympathies for the loss of your loved one... It is encouraging to see how much Mrs. Minnie is loved and remembered... There is a comforting scripture in Job 14:14,15.... That promise gives so much hope for the future...
May you find comfort and peace in all of your good memories of Mrs. Minnie.*

“ I will always remember my first cousin, Minnie Pearl, it started when I was about 10 years old, my sister Vivian was about 8 and our baby brother, Henry was about 2 years old and my Mother, Sylvia Boyd wanted to do day work and needed a babysitter during the summer months and Minnie Pearl came over to keep us. As I got older and we made at least 2-3 trips to Flint, Mi to visit my Mother's sisters and our cousins, I grew close to them especially Minnie Pearl and as grown ups, we stayed in contact with each other and celebrated many precious events for our families and friends. I am glad that I got to be around her at the Summer's Reunion held last July in Flint Michigan. Another thing we had in common was that we both were "Capricorns" and most of all, we believed in God which is a wonderful blessings. She loved her children and grandchildren in a special way, she always had a warm smile and was a happy person. I will truly miss her here on earth but I know that God got this. To my others cousin and family members, be of good courage and keep those many memories close to your hearts forever.

I am sorry that I won't be able to attend her homegoing service due to my being under the weather the past few months but I am trusting God to continue taking care of me in this journey of my life.

Steve, know that you knew a very special person in your life. She cared about you!!!

Rest in Peace,
