“ *So many memories at work with Mitch. He use to tell us if there was pizza left from a party he had to take it home. His wife had a huge appetite. When we finally met her she was this tiny little lady. He was always a jokster. He loved watching and talking about his daughter playing basketball. I am out of state and sorry I can't be there to honor his life. He was a good man and surely will be missed. Hugs to his family.*

“ Well one thing I can tell you about my cousin Mitch is that he didn't mind working. I remember when he was about 8 or 9 yr, he told me Hey Peaches I got these houses where I cut their grass and get paid good! I started hanging with Mitchell(lol) We would go out into the pretty well to do neighborhoods and we had a good thing going....we cut grass, we raked leaves and we shoveled snow. We had about 3 or 4 houses and we made money!!!! After about a year of that Mitchell got him a paper route. Needless to say I think I went on the route with him 1 or 2 times. More likely only one cause you had to get up early and I'm not for that(lol). Mitchell I am going to miss you!!! I love you Cuz! Rest In Peace
Love, Peaches
