Mona Yvette Wooten was born on April 23, 1964, in Flint, Michigan, to the late Brenda Chappell and Hosia Chappell. On November 3, 2025, Mona peacefully transitioned from this life into eternal rest.

Mona was a woman full of laughter, light, and love. Her presence could brighten any room, and her joyful spirit left an impression on everyone she met. She lived her life with positivity and grace, always encouraging others and sharing her infectious smile.

Mona was deeply spiritual and carried a strong faith that guided her through every season of life. Her food was always made with love, and she found great joy in cooking for her family and friends.

Above all, Mona loved her family dearly. She was a devoted mother, grandmother, sister, aunt, and friend. Her greatest joy was spending time with

those she loved and seeing her family happy and together.

She was the proud grandmother of Sotoria, Shaquana, Edward, Iyonna, Ishmael, Jaquan, Kennedy, and 19 other loving grandchildren, as well as 8 great-grandchildren who will carry on her legacy of love and laughter. Mona also leaves to cherish her memory her sisters: Betty Chappell, Tonya Jones, Bonnie Blackwell, Yvonne (Tyron) Hugh, and her brother David Blackwell; nephews, Nicholas Mason, Nevell Mason, Mario Blackwell; niece, Jequala Buggs, along with a host of family and friends, will miss her deeply.

Mona was preceded in death by her cherished parents, Brenda and Hosia Chappell; and beloved sister, Sonya Byrd.

Mona's light will forever shine in the hearts of all who knew her. Her laughter, love, and strength will continue to inspire those she leaves behind. Though she is no longer with us in body, her spirit will live on — a reminder of the beauty of a life well-lived and a heart well-loved.

“ To my sister, Mona, you were an awesome big sister to Betty, Sonya and I. Your words of encouragement and sweet compliments will forever stay in my heart. I will rewind you saying "hun" over and over in my mind.

Noone could say it like you. Your laugh and your dimples would swallow your cheeks. You are my beautiful inside and out sister that God allowed me to have in my life. People sometimes get confused on our connection so I explain that I was adopted in and you put me under your wing, blood didn't matter, I was always your little sister. I am numb, to lose my baby sister and oldest in the same year is so devastating. Asking God to always keep and allow his peace to surround Betty and I. I will forever love and cherish you. Thank you for making me Aunt and Great-Aunt to six of the most Beautiful, Intelligent, Prosperous children and their children. I have been in Texas 23 years and away from them but able to watch them grow and make their marks in this world. They are a wonderful footprints of all you instilled in them. My love, respect and adoration for my "big sis" will live forever. Until we meet again. Rest in Heaven Queen. Sending love hearts to Sonya and Jmonte and our parents and family that have gone on before you.
