“ *I knew Moniqua from Southwestern. She was such a sweet girl. I was the Nurse's Student Aide so I had close contact with a lot of the "special" students. I never thought she belonged there. So smart and sweet. I can't find the words to describe such a wonderful young lady. She often just waved at me and gave me a smile. God bless the family. God just wants beauty such as Moniqua close to him as well.*

“ *My prayers are extended to you at this difficult time in your life. Moniqua was a dedicated member who loved her God, her church and her Pastor. I'm sorry that I was not able to attend but know that God will see you through and that he won't put no more on you than you can bare.*
