“ *Ms. Monique was my student at EKLC. Very bright, funny, and loving young lady. Every day she would say good morning with her big bright beautiful smile. And I can not forget to mention her laugh. It was contagious 😁. She will be forever in our hearts. Rest in peace with the Lord my dear child of God.

“ *The students I work with will never understand how much they impact my life. They will never understand how they have such a special place in my heart. Each of them and All of them over the years.*

Last year this young lady and I built a bond. We laughed together. Especially the day I found out she could answer Yes and No questions after weeks of working with her. SHE CHOOSE to keep that a secret from me 😊 When she cried there was a reason and it was My Job to figure out why. Once as I was being evaluated and I stopped my lesson and had someone step in. We started from Head to Toe. As soon as I found what was wrong or bugging her she stopped crying. She just wanted someone to hear her. The Trust was there. We had days of blowing bubbles using a switch, teddy bears instead of the OT tools and tap shoes during PT. We had fun while learning. Ohhh and the cute boys were always her favorite! The few months I worked in her classroom she stole my heart.

Fly High and Dance Sis...you are no longer in pain. I will forever remember you, your sassiness and your beautiful Smile. I'm so blessed to know you.

Saying Goodbye is never easy so I will say...See You Again One Day Ms. Monique.

Forever You Will Be Remembered. 💔💔💔
