“ Fish was one of the funniest and sweetest guys I knew and Shonta and I will miss him dearly! He always made us laugh being his goofy self and I hardly ever heard any complaints out of him! I am glad to have known him and will always laugh as I think of the days on Sloan Street and of him and Shonta goofing around and being care free, and I know he is in a great place up there and making friends and cracking people up! We miss you Fish, rest up! Candace, if you need ANYTHING, be sure to let us know and stay strong like the beautiful, awesome woman he loved. You got this!
