“ You’ll always hold a part of my hearts! You and Kevin are 6months apart and my heart is broken. Although I have lots of memories and pictures of you. The one moment that makes me smile, is when you were young. You would be eating popsicle after popsicle! Always headed to Becky refrigerator to grab another one!!!! It’s funny cause you would grab them out of my fridge as well. I love you always and I’m praying for your mother, Rockie, other siblings and especially Becky. All of our family and friends.

“ *To the Mayfield Family:*

*I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.*

*However, have you ever asked: Is death the end of it all? Or is there something else after death? Th e bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.*

*Yours truly,  
Patricia*

“ We would like to extend our deepest condolences during this most difficult time. We have known Monteus since he was a young child. His mom or dad would bring him for a haircut, and he was always so well-mannered, and always called me, "Mr. Jimmy". As he matured into a young man, he continued to present himself in a respectful manner. He was loved by so many, and will be greatly missed. We are praying that God will give your family strength, comfort, and a peace of mind. God Bless You All... James ("Mr. Jimmy") and Barbara Moore
