“ *I am very sorry for your loss but, this comforting scripture found at Revelation 21:4 says: "And he will wipe out every tear from their eyes and death will be no more. So in this scripture we see that Jehovah God will do away with death forever. You are also welcome to view the comforting publications at www.jw.org.*

“ I dont have a doubt in my mind that death is a mystery no one knows where we go after we die so when people say you're in a Better place it's comforting to beleeve that but in reality they don't know and I dont see people rushing to get there because we've been taught this myth over and over doesn't make it true!
