“ *I knew Mrs. Jones as a great friend and neighbor. She always gave my mother and I great advice on so many things. Whenever I saw her in her driveway I would always say hi and she would have a short conversation with me. I couldn't have asked for a better neighbor. It's hard to understand why people are taken from us, but find comfort in knowing you were a special part of a well-lived life. Have hope in tomorrow, have faith in the everlasting, and take comfort in the love of friends and family.*

“ *I know your family has been blessed by this wonderful woman though I don't even know her -- it is evident by the awesome character I DO see in her grandson, Derek, daily in the workplace.*

Condolences and Heartfelt Prayers to the family.
