“ *Dear Grand Grand*

I miss you so much

Karim, Travis, and myself sit up and talk about you all the time to keep you alive in our hearts.

There are so many things we just never got to say.

But I can just imagine you know already.

We have another baby Karim come in to our lives but GOD thought it was best for him to come home with you since he wasn't strong enough for this world.

So now you have one Karim with you and we still have one here with us.

Now we know the pain you faced leaving him and all of us cause Chayna just went through the same pain or more cause she didn't get to know him.

But please let him know she loves him so much and we all plan on coming home to be with you and him and my mom in The LORDS HOUSE ONE DAY WHEN THE LORD CALLS US TO COME HOME.

“ To Sister Paulette Nelson and Daughters Autumn and Tammo.
You have my prayers in the homegoing of your dear mother and grandmother. Be comforted in knowing that Mother Williams is in the Father's arms and resting in His peace. Let God hold you as tightly now and give your pain release. As you find comfort in knowing that your Mother and Grandmother is in God's care, remember His same love for you surrounds you everywhere. We shall never forget her sweet smile and quiet spirit.

*Sincerely
