“ A sweet, kind voice and loving person has transitioned from her earthly home into the loving arms of sweet Jesus. The memories of the conversations we shared, in the kitchen at First Trinity, and the commitment she had to show everyone love, I will never forget. Resting now in the arms of sweet Jesus, she will be in my heart to remember always. I shall hang my " Mother's Day Rose" over my computer and remember you always. I love you my Sister Walker.

“ *To the Walker Family:*

*I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.*

*However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.*
