“ *Rest In Peace Allen Trice (88), miss yo' crazy a\$\$\$. Never will forget our insane walk from the Casinos in the wee hours of the mornings where we both fell off a wall (short cut) trying to get home before the heat & sun comes up. I laughed soo hard when you tumbled off the wall but I came crashing right behind you. Although we were aching we just looked at each other and burst into laughter as we tried to get up to continue home. We had some great times & some not so great but we looked out and took care of each other when it came to family.*

"OORAH," Rest up Marine until that final Reveille, see you on the other side.
