Love my Uncle Bill ❤️

He most definitely will be missed but not forgotten! We still should have that fish fry in May in his honor with a balloon release.

Thank you Billie D and Aunt Cat for making it possible for me to attend Uncle Bill's funeral virtually. It was a beautiful service and he will definitely be missed by everyone that knew him. He had the kindest spirit and the manner in which he presented himself, you would think that he never had any problems in his life. He was just always a joy to be around.

Humble, meek, loving, mild... a quiet strength that is deeply rooted. Fun, jovial, accepting, giving love always... what a blessed life! I am forever grateful to have witnessed & been touched by the life of Uncle Bill. May we as a family continue the legacy of love that we have been taught by our parents & grandparents. The love of Jesus... May we keep sharing, telling our stories, & being the example of Jesus' love..as Uncle Bill. May the Lord keep you Aunt Cat & Cousin Billie Danette... The service was beautiful & inspiring! Thank you , & praise God for technology & the virtual experience. May we keep trusting in the Lord as we grieve with hope of eternal life together!...
