Mrs. Briona LaQuese Moore was born February 3, 1975 in Flint, Michigan, the daughter of André and Judy Moore. Briona was affectionately known as “Bri”, to those who were most near and dear to her. She graduated from Flint Northwestern High School, “Class of 1993.” Briona went on to further her education at Davenport University, where she obtained her Bachelor Degree and Central Michigan University where she obtained her Master Degree, both of which, were achieved with Honors. However, her biggest and most PRIZED HONOR, was the birth of her one and only son, Alonzo “Zoey” Williams, who she loved and adored with her ENTIRE heart. Briona enjoyed laughing and spending time with her family, attending church, helping others, traveling, swimming, cruising, riding ATV’s and Jet Skis. She

worked hard and she vacationed accordingly; always living her Very Best Life!!!

Did I forget to mention how BOSSY she was? Bossing folk around was Briona's favorite past-time!!! Nobody could get you together like "Bri"! Aside from her bossiness, she was loving, passionate, driven, determined, sweet, no-nonsense and never did she back down from a challenge. She had a pure heart, and she positively impacted every person she ever came in contact with.

Briona was united in Holy Matrimony for 9 1/2 years to, Jennel "JT" Tyus. They wed in October of 2014 in sunny Las Vegas, NV.

“ *My big sister in Christ and friend, I love you. I'm praying for God's comfort over Briona's family and friends. I've been missing you for 2 years now. I'm so blessed to have met someone like Bri who was always giving and helping others. One of the first people who greeted me when I joined JMBC. She took me under her umbrella. Bri is a conqueror! One of her favorite prayers is the Serenity Prayer. I pray God shows compassion, healing, comfort, grace and mercy to the family always. Amen*

“ *Sending prayers of comfort and peace to Briona's family. I worked with her for years at Orion Asm and took classes with her while getting our Master's Degrees at Central. She was a great person and a great friend! We laughed so much together, went out to eat all the time, fought in the trenches and stressed together. We went off here and there yelling and laughing, it was chaos at times but we made it fun. I would always hug her because she didn't like it...but...she did! A tough exterior but a soft heart. Geesh, I'll miss you Bri, wish I could have seen you again!*
