“ *Linda was one of my best friends in high school. I was so stunned when I heard the news, I didn't realize that she passed on my birthday.. we talked a lot at the recent reunion and talked of plans of doing things together; a trip to Seattle and me staying with her on my next trip to Flint. Although we didn't talk alot, we just always picked up where we left off; never seemed time was between us: proof of real friendship. Would love to share more stories with the family. I will miss her!!! RIP. The Heavens will love your southern, downhome swag! Bless You Linda and enjoy your celebration with the Master!*
