“ Over many years, Lurla was an active and dedicated participant in the exercise and yoga classes I instructed. Lurla was a sincere Christian woman. She was thoughtful, generous, and kind. I could always count on her to endure my humor with a hearty laugh. She was a devoted daughter to her mother until her passing. I admired that about Lurla...her loving devotion to her mother. She loved her family, whom she spoke about with a modest pride. I am saddened by Lurla's passing and that I didn't speak with her before she transitioned. I will fondly remember her. My sincere condolences are with the family and those remaining to cherish her memory.
