“ *My deep condolences to the entire Edmond family. I was a friend to Neicy, Debra, Shannon and Mi-Mi when they moved to Ann Arbor. I also had the blessing to be at the hospital just hours after Dominique was born. I recently moved back to Michigan and was looking to connect with old friends when I found the news of Neicy's passing. I'm completely heartbroken and it's been 30 years since I last saw everyone. Neicy was a wonderful, kind person. May you continue to rest in peace, Neicy.*

“ To Debra and the entire faimly, I deeply sorry to hear about your twin, your right-hand girl. I haven't seen either of you since grade school much, but we played as kids over by Pierson School back in tha day. Frankye was a really sweet person to know. I was shocked to see this, but know that I am praying for you and your family.

“ Even though we have not spoken as adults, I always asked about you and your sisters. To come to your home and see a smile on you and your sister's faces was great, little did I know you all were getting ready to try your name calling techniques on me. You will truely be missed!
