“ We always try to find the right words to say in times like this but in the real scope of things there really are no RIGHT words. Just know that Mother is in a better place and that when you need comfort seek GOD he won't let you down. I am praying for all of you and with that I leave my favorite quote:

*If God brings you to it, He will bring you through it.*

*Happy moments, praise God.*

*Difficult moments, seek God.*

*Quiet moments, worship God.*

*Painful moments, trust God.*

*Every moment, thank God.*

*Rest in Peace Mother from the other "yellow gal".*
