“ *Billy and Carrie, Nancy was loved by so many. She had a heart of gold. I will always remember the good childhood memories growing up, as Next-doo neighbors and, Nancy being my second Mom. Rest well Nancy, you and Carol are reunited again. Praying for family and caregivers.*

“ Praying for the family and thier great loss of your mother, grandmother, Nancy was so special to my family, she in her ways took care of me and later my kids, she went to school with my mom, and she mothered me as well, she always gave good talks to me about life and god. I’m gonna truly miss Nancy, you couldn’t help but love her.
