“ To the Family of Naomi Bohannon,

*My condolences and prayers are with you during this very difficult time. Naomi and I worked in the same office for many years. She was one of the sweetest and kindest people I have ever met. She never had a bad thing to say about anyone. I will always remember Naomi in my heart. Even though she retired a few years ago, The Flint Community Schools has lost one of its finest employees. May God bless you and your family.*

“ Dear family of Ms. Bohannon,  
*I am sorry to hear about her passing. She was a beautiful person! May you receive comfort in knowing she will be awoken when Jesus calls her name during the resurrection. Please read about it (John 5:28,29) and the example of a real-life resurrection in the bible book of John,chapter 11, verses 11-14, 44,43. Then rest assured that you will see her again..Agape Love, Joyce*

“ *Naomi supported me throughout my career with the Flint Schools. She believed in me and was instrumental in my placement as Acting Social Studies Coordinator for the district in her absence. Naomi, even from home, continued to support our efforts to provide a world class education for the students of Flint. She was always hopeful and committed to giving her all to our students and our staff. She will be sadly missed, however, her passion for teaching and learning will continue to inspire us all.*
