“ My deepest sympathy to all of the family, Aunt Naomi gave her own special brand of love and joy. Her love always showed us truths about ourselves as they were delivered in her most unique humorous way. I thank God for giving the world Aunt Naomi. Her words could be hard at times but they were always what we needed to hear. Being raised at a special time in rural Virginia, when life was hard for most folks, she used those lessons learned from Grandma Nora to create her own special way of impacting those in her circle. Aunt Na, you will always be in our hearts!
