“ Dear family, I used to say to her, Auntee when I grow up I want to be just like you. Recently she said, Neecy you are like me! But she was uniquely herself, full of joy and so willing to share it ... my fondest memories are our late night talks and her drinking my husband under the table during her last visit with me, I managed to hang with her but there was a lot of coffee the next day! I'll keep her in my heart until I see her again. Sharon Carter Hall
