Narcissus or Narciss how her Shreveport family call her will be missed. You may wonder how we were related so Sam Randle and Mary "Momay" Felix had 5 kids Emma Lee, Pearl, Lena, Robert "Uncle Noody", and Sterling "Big Daddy". Sterling had 2 kids Sterling Jr. "S. T." and my mother Bessie Mae. So my mother was Narcissus first cousin. My sister Monica sometimes go up there. I'm from Houston Texas and don't fly nor swim so I don't get to check on family that far away. I hope that you all will be alright. Stay strong.

She was always nice to me at church, and my mother too while she lived. I remember she and Hildra came all the way from Flint to my mom's service in Pontiac. I will always remember her. Great lady.*

“ We were overwhelmed with grief when we learned that Narciss had passed away. We became Uncle and Aunt to her because our nieces, Mary and Merle were play sisters. We became good friends even though we didn't talk often; but when we did, we would bring each other up-to-date on what was going on in our lives. I always admired how she loved her family and how she and her husband spent a lot of time caring for Reverend and Mrs. Terry. We pray for the entire family and Thurston our prayers are with you as you remember the love of your wife and the will of God.

“ I been known ms nora since our family moved on santa barbara dr. in 1973. I would over and sit on the porch sometimes when she was outside. Mr. Cannon was one of my dad's closes friends. They were lawnmowers and snow blowers. She always had something positive to say and a simple smile on her face. She didn't mind me coming over and sitting with her. Beautiful woman, and had a very sweet spirit. I visited last summer. Would wave sometimes as I drive by. Good childhood memories. She will be missed. To mr cannon and the family I will continued to keep you in prayer. Thank you ms nora for being such a kind neighbor and friend.

“ I will miss Mrs. Nora coming to the Beauty Shop to get her eyebrows done she wasn't a complainer at all and always paid before she had the service done, we had a many conversations that would last so long I would end up walking outside to finish the talk not to mention the peppermint candy /cinnamon candy that she would bring us
It will not be the same riding around the corner seeing her and her husband sitting on the porch and I would holla out what's for dinner?
Memories I will cherish forever!!!!

Keeping Mr. Thurston and those that loved Mrs. Nora in my prayers

“ Sister Sister,
I feel so blessed to say every time I saw her I hugged and kissed her!
I will always cherish my last conversation with her was she knew I loved her!
May the Angels sing and Christ, Jesus our Savior keep his loving arms upon her!
John 11:25
Jesus said to her, I am the resurrection and the life!
Whoever believes in me, though he die, Yet shall he live!
I love you Sister!
