“ *To The Parents & Family of Prince Nasir Thompson ~*

My heart aches in so many ways at this time as he was your beautiful new angel but also the great nephew I never got the chance to meet. No words can ever express truly how a parents feels when they lose a child but GOD keeps us through it all. Please know that love can be shared to those whom you will never come into your life but they truly touch yours deeply in unspeakable ways. This heart of mine will never mend the losses of such dear loved ones but love still remains. Nephew, I seen you when you were first born from your mother and the mirrored vision of you will be looking down from heaven through your son's eyes watching over you along the side of his grandmother smiling knowing that you are safe. I love you both from earth to heaven!

Words from my heart!
