“ *I am so sorrow for your loss.Death is not natural.In the Bible at Job 14:14,Job asked "If a man dies can he live again?" Maybe you too have wondered about this.How would you feel if you knew that a reunion with your loved ones was possible right here on earth under the best of conditions? Well, the Bible makes the promise:"Your dead ones will.... They will rise up."(Isaiah 26:19) And at (psalm 37:29)says"The righteous themselves will possess the earth, and they will reside foreever upon it."We can have real confindence in God's word. It never fails us.My Family and my hearts go out to your family.*

“ *From God we have all come from and to God we shall all return to. During this time of grief may God pour his blessing upon all the family members and grant them ease and comfort and especially to a dear friend and brother, Maury(Saddiq)Wills. For this is a lesson for us all to learn that this day shall pass away and that this to shall be us one day, For we all are not perfect that's why we must pray, be mindful, be thankful, be grateful and strive to prepare ourselves to be Pleasing to God, that he accept all the good deed that go before us.
