“ We want to express our deepest sympathy to the family who is also my family in spirit. It is hard to believe you are gone, and I'm so glad we got to laugh and have fun the last time I saw you. I never would have imagined it was the last time. I am praying for your wife my dear friend, children, and grandchildren which was his pride and joy, that they are strong and holding each other up in this sudden new reality. I know you all know he is watching over his family. Rest up Nate and fly high our friend.
