“ *Dear sweet brother words can't express how I feel at this time. This has been one of the hardest times I've experienced in my life. But I know you are in a much better place no more pain no more suffering. I will always cherish the times we spent together and hold them near and dear to my heart. You were not only my brother you were my friend. I feel so blessed to have been your sister. Rest in peace my love ❤️😭,Love Sis*

“ Rene, Rashonda, and the rest of the family, you have my heartfelt sympathy. I am so sorry to hear about your brother, Neal. It will be the little things that you will remember, the quiet moments, the smiles, the laughter, the idiosyncrasies. And although it may seem hard right now, it will be the memories of these things that help to push away the pain and bring the smiles back again. May Almighty God sustain you and may his promise that there is a hope of seeing Neal again bring you comfort.

Sincerest Condolences
