“ *Nellie was a terrific and unique friend willing to do battle for those she cared for. 20 years my senior when we met working together at Hurley Hospital 1969, she taught me much and looked out for this young gal who just left home. She always continued to educate herself (without internet). She enjoyed music, dance and could write. I loved her sense of style and independence. I tried to find her many years after we lost touch. I was honored to get to know her for years on Crocker St.. Loved that lady and pray her family is making their way safely ,Amen. Especially Dequindre.*

“ Kirt and the Anderson family, My thoughts and prayers are with you in this time of great loss. I grew up a few houses from Nellie's house on crocker (2127 Crocker). Nellie was a friend of my mother's (Estell Davis). Nellie was a very nice woman and always had nice things to say. In her later years when she was home and would walk to our corner. Nellie would always stop and conversate with me and my mother. Nellie always spoke highly of you Kirt and I know she loved you with all her heart. I will always have fond memories of your mother and grandmother. Kirt be strong and keep the lord first in your life.

“ Kirt,
My mother called me last night and told me about your grandmother passing away. I hope that you are doing okay. Call me if you need anything. Tell Tammy and the kids that I said hello and make sure that you keep in touch with me. Let me know when the funeral is going to be.

Much love,
Karla
