“ *Uncles have a special role. Not being our father, they can be a friend and a supporter in a different way than anyone else in our lives. They are both a relative and a great companion. One of the few people able to be both. The loss of you Uncle Nelson is a particularly hard one, because you were my favorite Uncle. However I'm happy to have shared many memories and laughs with you. At least your no longer in pain, I'm sure God is watching over you. May your soul forever rest in peace.*

Love,
