“ My husband, Sam, and I met Nick when they were both going thru outpatient physical therapy at McLaren. Nick was an inspiration to everyone. He worked so hard to improve. He always had a kind word as we waited in the lobby. I also was so impressed with Nick’s mother. She was there with him at each session and was a pleasure to talk with. Please accept our sincere condolences. May his memory be eternal.

“ We can all take a page out of Nick’s book. Never a complainer, always a warrior. Nick fought so hard to work past his adversities. I say he won that fight. He did finish the course in grand style. He kept his faith and trust in GOD. There definitely is a bright crown waiting for Nick. My prayers to his family, especially his children, whom he set a great example for. They saw the hard work he put in. He left a great legacy for his kids to pick up and carry it forth. GOD bless his Mom Beverly and family.

“ I watched Nick grow up in the CFMBC. He was always a kind and respectful young man. Later Nick became my student at MCC where he was simply a joy to work with. Upon graduation Nick was hired by the MDOC and enjoyed a stellar career as a State Corrections Officer. Nick always gave credit to those who were a part of his academic and professional development. To his lovely mother and family I extend my heartfelt sympathy, prayers and condolences. May God keep you at this time. Love, Dr. Avon Burns family

“ *I am so sorry to hear about Nickolas. This has truly thrown me for a loop. He was always upbeat and seemed to be doing better with all the encouragement and prayers that were pouring in for him but God knows best. We don't understand but He does. I remember Nick from elementary school days when he and my son's were in boy scouts together. They have been friends since then. ❤️ My sincere prayers to Beverly and Alicia and family. Love you..*
