“ *So sad to hear the news of Niley moving on to a better place. He will be missed by so many. Niley and I flew so many trips together, it was always a joy to see his name on the crew sheet knowing it was going to be a great trip. So sad to know God had taken him at such a young age. It will live a large void in many lives.*

“ When I look back at the family photos my parents saved, I am reminded of a little guy who grew up to be a giant. I was a younger cousin, that he took under his wing while I was trying to chase after and tag along with the older ones. He had a heart for the little people and many times took on tasks typically done by someone older and wiser. He was that man despite his young age. His academic and professional endeavors inspired me. I know there are others who grew from the inspiration of his achievements and willingness to serve his community. His absence is truly our loss, but his words and works remain a pillar in our hearts. While we mourn our loss, we celebrate his life of accomplishments, service, and inspiration to others.

“ Our Prayers and Condolences go out to the entire Rosemond Family in the loss of Niley Rosemond. Niley was a great person and we Blessed to have the opportunity to know and share our experiences with him. He was by far the best Speaker that assisted the Flint Township Minority Coalition in show casing some of our local notable African American pioneers at Carman-Ainsworth High School and Carman-Ainsworth Junior High School for several years. We always considered Niley to be our Headliner Speaker at our annual events at these two schools during Black History Month. He provided the opportunity for all of the Carman-Ainsworth High & Jr. High students to get a close up look and actually hear from a live African American Airline Pilot. Niley always accepted out invitation to appear and the students loved to hear his stories about flying. He stood tall and we will miss his wisdom about flying airplanes. May God continue to Bless the entire Rosemond family and we thank you for sharing him with us periodically. Keep the faith and stay strong, as God will comfort you at this time. “ Mrs. Rosemond,

Please accept our deepest sympathy and condolences regarding the passing of your husband:

To the Rosemond family,

Please accept our collective heartfelt condolences and immeasurable sympathy from the 50th Anniversary Navy and Marine Corps Officer's Group Commissioned from the historic PVAMU NROTC (50ANMOGCPN) program, regarding your loss. CAPT Niley J. Rosemond, USMC was a highly respected officer who served during a time of significant consequence.

Few people are singled out for noteworthy actions that impact our nation's history.

CAPT Rosemond accepted the call to join and serve as a member of the Naval Reserves Officer Training Corps (ROTC) program at Prairie View A&M University, the first Naval ROTC unit established at a predominantly Black College or University.

A beloved family member to you, CAPT Rosemond also served as a trailblazer who helped forge our unit's proud legacy. His distinguished service as a member of United States Marine Corps Minority Officers set the example for those who followed in his footsteps. Moreover, his leadership, pride, and professionalism still resonate with the over four hundred officers commissioned into naval service from PVAMU NROTC to date.

May he go in peace.....to his new duty station.

Very Respectfully,

*CAPT Ryan Tewell, U.S. Navy
Commanding Officer, Houston NROTC Consortium
Professor of Naval Science, Prairie View A&M University*
