“ It was Monday, December 29, 2008 after experiencing such a great heaviness on my heart to what was now known to be my last visit with you. During this time, this visit I was able to share intimate moments with my Aunt Jean as I sat closely by her bedside, shared encouraging words and prayer and finally bathing and making her more comfortable in her new hospital bed not knowing that the very next day would be her transition from this earth. Oh how sweet it is to know that she no longer suffers with sickness nor have any worries. She was truly a blessing always giving her all and sacrificing what she had for her children and other relatives and although sadly missed will be forever remembered.

*Love you always and forever auntie,*

*Your neice,*

“ *Mr. Chick, Regina and Ronda - GOD Bless You! I'm praying for your entire family. When I originally moved from Flint - 1985, my mother would keep me abreast of the Flint happenings. But, since her passing in 2002, I've subscribed to our Flint Journal to try to keep up. It brought such a sadness to learn of your mom's passing Regina. Saying 'goodbye' is so hard in circumstances such as these, however, speaking from experience, no amount of time can elapse that will erase those precious memories you have of your MOTHER and FRIEND! She was a very classy, patient, well spoken and thoughtful lady. When we, my parents and I (Sam & Elmira Jones) would take that L...O...N...G..... drive out to your 'beautiful' home, I knew I was in for a treat. Our parents enjoyed one anothers company, while we girls would just play and play and play! I have very fond memories of your Mom and Dad and we can thank GOD for blessing us with parents that loved and cared for us unconditionally. Email me sometime so I can come by to visit you, your sister and Dad. Love, Elly*
